## Made for Mind-Bending Escapes

- Enjoy vivid edge-to-edge gameplay on a 27" FHD display with a 1500R curved screen that allows gamers to experience a more realistic field of vision.
- A 1ms Moving Picture Response Time (MPRT) combined with a 144Hz refresh rate delivers smooth performance for high-speed action gameplay.
- NVIDIA® G-SYNC® Compatible Certification and AMD FreeSync™ Premium Technology offer fluid, uninterrupted gameplay with no screen tearing or stuttering.
- The new design provides distinct and gaming-centric elements while 3-sided ultrathin bezels allow for gaming with less distraction.
- Additional uniquely designed vents on the back of the monitor offer improved heat dispersal
- Height and tilt capability allows for greater comfort during long hours of gaming while the slim, tapered stand with an angled base provide sturdy support and a smaller footprint.
- Intuitive on-screen display (OSD) navigation experience with easy to access joystick and shortcut keys
- Gamers can have up to 3 user-defined profiles and choose the preset modes to get the best personalized gaming experience.
- Dell Premium Panel Exchange allows a free panel replacement during the Limited Hardware Warranty<sup>1</sup> period even if only one bright pixel is found. Minimize downtime with Dell's Advanced Exchange Service.<sup>2</sup>

**Availability:**

4 April 2023

**Starting price:**

£379 / €419

<sup>1</sup> For a copy of the Limited Hardware Warranty, write Dell USA LP, Attn: Warranties, One Dell Way, Round Rock, TX 78682 or see [Dell.com/warranty](https://www.dell.com/warranty).

<sup>2</sup> Advanced Exchange Service: Replacement part/unit dispatched, if needed, following completion of phone/online diagnosis. Fee charged for failure to return defective unit. Availability varies. Other conditions apply.

# Feature Overview

---

## Truly Immersive Gaming Experience

- The new Dell 27 Curved Gaming Monitor features an expansive 27" FHD curved screen with remarkably vivid visuals that draw you deeper into the game.
- The 1500R curved screen enhances field of vision, and reduces distortion, glare and reflection to create a truly immersive gaming experience.
- 3-sided ultrathin bezel provides a larger surface area and allows you to game with minimal distractions.

## Swift and responsive gameplay

- Incredibly fast 144Hz refresh rate combined with extremely rapid 1ms (MPRT) response time eliminates motion blur while allowing fast-moving visuals to be seen with incredible clarity.

## Revamped and distinct gaming-inspired design in the new Dell Gaming Monitors

- The new Dell 27 Curved Gaming Monitor features a distinct and gaming-centric design that offers both functional and aesthetic benefits for gamers.
- Uniquely designed vents on the back of the monitor are engineered for enhanced heat dispersal.
- The tapered stand with an angled base provides sturdy support and a smaller footprint for closer gameplay.
- Height and tilt adjustability enables more comfortable marathon gaming sessions.
- Easy to reach joystick and shortcut buttons located on the back of the monitor for easy navigation of the On-Screen Display (OSD).

## Tear Free, Stutter Free Gaming

- NVIDIA® G-SYNC® Compatible Certification and AMD FreeSync™ Premium Technology equips serious gamers with a fluid, tear-free gameplay experience at virtually any framerate.
- It synchronizes GPU and monitor, displaying full frames only when the monitor is capable of displaying them.
- Eliminating choppy gameplay and broken frames, AMD FreeSync™ Premium technology ensures that gamers get a smooth gaming experience.

# Feature Overview

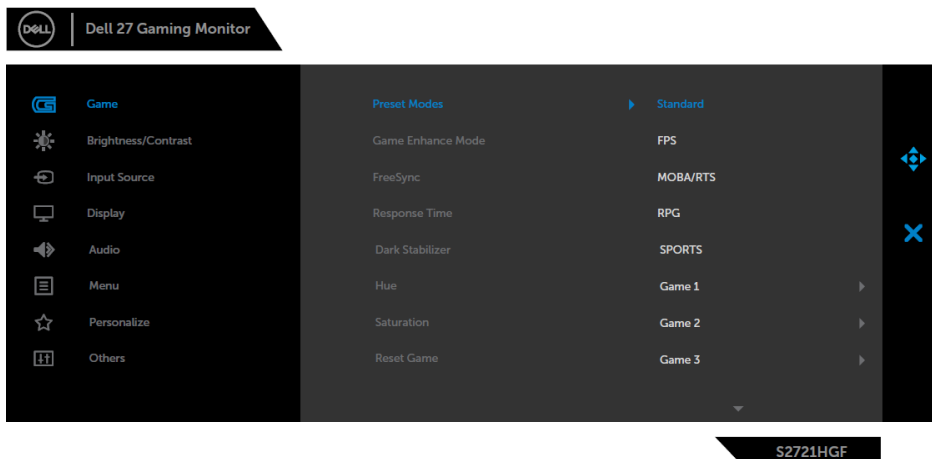

## TUV-certified Dell's ComfortView with flicker-free screen

- Easy on the eyes while you are deep in action with Dell's ComfortView feature that minimizes harmful blue light emission and optimizes eye comfort. The flicker-free screen increases eye comfort, allowing for longer game sessions.

## Intuitive, Gaming-centric On-Screen Display (OSD)

- Gamer-centric OSD offers key enhanced gaming features to help improve performance and provide the best in-game advantage.
- 3 user-defined profiles to fit the variety of games played and 3 preset modes for genres such as FPS, MOBA/RTS, SPORTS or RPG.
- Game enhanced features such as Timer, Frame Rate Counter and Dark Stabilizer provide optimized game visuals.
