LATITUDE
3340/3440/3540

Modern design with up-leveled essential productivity features for every business.

3340/3440/3540

Modern design with up-leveled essential productivity features for every business.

A broad range of essential features built for any business and any budget, and perfectly suited for the mobile professional who works from anywhere.

Ideal for task-oriented professionals, educators, and students performing advanced curriculum who are driven to produce results and strive for efficiency. They need enterprise-level security, essential intelligence and collaboration features that help them stay productive.

World's Lightest New 13" Essential Business Laptop:[14]
Starts at 2.76lbs/1.25kg

All new modern, design
Re-designed chassis featuring a new color and texture on 14"/15".

Optimal versatility
13" 2-in-1 features an optional Active Touch panel with pen support.

New enhanced keyboard
Improved backlit* keyboard with durable, laser-etched key prints, and longer key travel for increased comfort.

Upgraded clickpad
Work comfortably on the new clickpad featuring improved feel for better productivity.

Intelligent Audio with Neural Noise Cancellation
Collaborate confidently with AI-based background noise elimination.

Sustainable design
Our most sustainable Latitude 3000 series yet, featuring components made with postconsumer recycled plastics.

Upgraded Audio
Experience improved audio quality for better collaboration on 14"/15".

ExpressConnect
Utilize 2 or more networks at once with ExpressConnect, the world's 1st simultaneous multi-network connection for faster data and video downloads.

Optional FHD IR Camera
Collaborate more confidently and sign-in securely with Windows Hello.

Privacy Control
Mechanical Privacy Camera Shutter.

Up-leveled Performance
13th Generation Intel® Core™ Processors up to i7. Offering a vast array of memory options with the new, fast LPDDR5 memory on 13", DDR4 memory on 14"/15", and discrete graphics card options on 14"/15".

4G, Wi-Fi 6 & Wi-Fi 6E[20] connections
Wi-Fi 6E allows 7 more channels for more bandwidth which provides faster, smoother Wi-Fi, especially in high-density areas while 4G LTE options keep you connected wherever you work.

ExpressResponse
Launch applications faster and improve overall app performance.

Outstanding run-time plus faster charging with ExpressCharge
Multiple battery options up to 54WHr, and rapid reload up to 80% in 60 minutes.

*Backlit keyboard is optional.

Uses 100% recycled and renewable packaging[21], including multipack options.

3000

Sustainability on Dell Latitude 3000 series

Delivering innovative technology and solutions to reduce our environmental impact, for ourselves and our customers.

Sustainable Materials

Our use of sustainable materials helps reduce the environmental impact of making and recycling them.[+]

Latitude 3340 and Latitude 3340 2-in-1:
50% recycled plastics in bezel, battery housing and AC adapter exterior (upsell only), 30% recycled plastics in the lids and bottom door

Latitude 3440 and Latitude 3540
50% recycled plastics in bezel, bottom door, battery housing and AC adapter exterior (upsell only), 30% recycled plastics in the palm rest

Packaging Innovation

Ships in new enhanced **100% recycled or renewable packaging that is also 100% recyclable**.[+++] Multipack shipping available on eligible products.

Ecolabels

Eco-labeling standards drive sustainability further by helping customers understand electronic products and the companies that make them. This product meets the following standards:

Recycle

Securely and responsibly retire your IT equipment with Dell regardless of brand, in support of a circular economy. Learn more at Dell.com/Recycle

See how we are reducing the impact of our products and solutions

Dell Optimizer
We make it intelligent. You make it yours.

In a work-from-anywhere world, powering the world's most intelligent commercial PCs[18] is not enough, Dell Optimizer is extending personalized intelligence to the rest of the Dell ecosystem.

Dell Optimizer lets you accomplish anything with built-in intelligence that learns and adapts to the way you work.

Elevate everyday work with personalized performance extending from your Latitude to the devices within your workspace.

An intelligent ecosystem
Enjoy easy pairing and management of your Dell monitors and accessories with the **integration of Dell Display Manager and Dell Peripheral Manager**.

Unmatched connectivity
ExpressConnect provides the world's first simultaneous multinetwork connection[19] that joins the best network available.

Improved app performance
ExpressResponse analyzes how you use your preferred apps to boost performance.

Up level audio
Intelligent Audio delivers sound and mic enhancements reducing background noise using neural noise cancellation and voice isolation technology.

Extended power
ExpressCharge analyzes your power usage habits to improve PC battery utilization and extends run times by charging your system faster when you need a boost in power.

With Dell Optimizer, optimization and data collection follow a stringent process to ensure your privacy and security.

Click here to learn more about Dell Optimizer.

Dell Optimizer features vary per PC model and platform. Please refer to the Availability Matrix for more details.

LATITUDE
3340/3440/3540

Make yourself more resilient to cyberattacks with Dell Trusted Devices.

Attacks are inevitable. In fact, 69% of organizations report a cyber-attack due to a poorly managed internet-facing asset in the prior 12 months.* Dell Technologies understands that today's security challenges include managing an evolving threat landscape with a modern work environment in mind. With Dell commercial devices, catch and repel malicious activity before it compromises your system. Latitude, one of the industry's most secure commercial PCs**, offers layers of security features to keep you protected and give you visibility to threats for swift action.

Secure anywhere-work with hardware and firmware defenses built for our hyper-distributed world.

Stay protected from evolving threats
Our unique BIOS and firmware verification provides greater security than other PCs. Assess a corrupt BIOS, repair it and gain insights that reduce exposure to future threats.

Spot ticking timebombs
Indicators of Attack, an early-alert feature offered only by Dell, scans for behavior-based threats before they can do damage.

Detect chassis tampering
Detect unauthorized access, e.g., malicious implanted hardware or software, data/component theft inside system chassis.

Secure end user credentials
SafeID, a dedicated FIPS Level 2 certified security chip, keeps user credentials hidden from malware.

Be safe from first boot
Rigorous, state-of-the-art supply chain controls reduce the risk of product tampering. Optional add-ons like the Dell-unique Secured Component Verification provide additional assurance of device integrity.
Protect data everywhere
Stay protected against advanced threats with optional software-based protections from our ecosystem of best-of-breed partners (CrowdStrike, VMware Carbon Black, Secureworks, Netskope and Absolute).

*ESG Survey: Security Hygiene and Posture Management, Jan. 2022
**Dell internal analysis, September 2022. Not all features available with all PCs. Additional purchase required for some features

RECOMMENDED SOLUTIONS

HOME

Dell 24 USB-C Hub Monitor - P2422HE

Stay productive, no matter where you work. Reduce harmful blue light with this sleek 23.8-inch FHD hub monitor with ComfortView Plus.

Dell Pro Webcam – WB5023

Experience industry leading video quality and picture clarity in any lighting with this intelligent 2K QHD webcam.

Dell Dual Dock - HD22Q

Powerfully productive, this compact dock is the world's first laptop docking station with a wireless charging stand for Qi-enabled smartphone or earbuds.

Dell Pro Wireless Headset - WL5022

Enjoy wireless freedom with this Teams certified headset with Bluetooth. Switch seamlessly to your PC or smartphone and enjoy crystal clear audio on the go.

OFFICE

Dell 24 Video Conferencing Monitor - C2423H

Stay in sync on a 24-inch FHD monitor with built-in conferencing essentials, low blue light and an eco-friendly design.
Dell Pro Wireless Keyboard and Mouse - KM5221W

Enhance your everyday productivity with a quiet full-size keyboard and mouse combo that offers programmable shortcuts and 36 months battery life.

Dell USB-C Dock - WD19S 130W

Boost your PC's power up to 90W with ExpressCharge on the world's most powerful and first modular USB-C dock with a future-ready design.[16,17]

Dell Speakerphone - SP3022

Experience rich, clear sound with the world's most intelligent Microsoft Teams-certified speakerphone.[15]

Product Disclosures:

1 Offering may vary by country and by configuration and operating system.

2 System with single channel memmory is shown as Intel UHD graphics. System with dual channel memory is shown as Intel Iris Xe Graphics.

3 GB means 1 billion bytes and TB equals 1 trillion bytes; actual capacity varies with preloaded material and operating environment and will be less.

4 Limited Hardware Warranty: For copy of Limited Hardware Warranty, write Dell USA LP, Attn: Warranties, One Dell Way, Round Rock, TX 78682 or see www.dell.com/warranty.

5 The stated Watt Hour (WHr) is not an indication of battery life.

6 Intel Rapid Storage Technology requires a HDD, mSATA, or an SSD, as primary storage device and Windows OS required

7 Wireless module available only at time of system purchase. Wi-Fi6e (supporting 6GHz spectrum) requires Windows 11 Operating system and compatible router. Router requires a separate purchase. Wi-Fi 6E connectivity is only available in selected locations. Check availability with your service provider.

8 Dell Latitude 3340, 3440, 3540 are brominated flame retardant free (BFR-free) and polyvinyl chloride free (PVC-free); meeting the definition of BFR-/PVC-free as set forth in the iNEMI Position Statement on the 'Definition of Low-Halogen Electronics (BFR-/CFR-/PVC-free)'. Plastic parts contain less than 1,000 ppm (0.1%) of bromine (if the Br source is from BFRs) and less than 1,000 ppm (0.1%) of chlorine (if the Cl source is from CFRs or PVC or PVC copolymers). All printed circuit board (PCB) and substrate laminates contain bromine/chlorine total less than 1,500 ppm (0.15%) with a maximum chlorine of 900 ppm (0.09%) and maximum bromine being 900 ppm (0.09%).

9 Mobile Broadband antenna and module available only at time of system purchase. Mobile Broadband subject to service provider's broadband subscription and coverage area; additional charges apply. eSim technology subject to regional carrier/service provider availability & service provider's data plan subscription; additional charges apply. Check availability with your service provider.

10 Mail-in Service after Remote Diagnosis: Remote Diagnosis is determination by online/phone technician of cause of issue; may involve customer access to inside of system and multiple or extended sessions. If issue is covered by Limited Hardware Warranty (www.dell.com/warranty) and not resolved remotely, technician and/or part will be dispatched, usually within 1 business day following completion of Remote Diagnosis. Availability varies. Other conditions apply.

11 Dell Services: Availability and terms of Dell Services vary by region. For more information, visit www.dell.com/servicedescriptions.

12 GB means 1 billion bytes and TB equals 1 trillion bytes; significant system memory may be used to support graphics, depending on system memory size and other factors.

13 Weights vary depending on configuration and manufacturing variability.

14 Based on Dell Internal Analysis, November 2022.

15 Based on Dell analysis comparing against competitive personal conferencing speakerphones, September 2021.

16 Based on Dell Internal analysis, February 2019.

17 Based on Dell Internal analysis of competitive products using publicly available data as of February 2019. Power Delivery of up to 130W when used with compatible Dell system. Expresscharge Boost is available on select Dell systems.

18 Based on Dell analysis, October 2022. Dell Optimizer not available in OptiPlex 3000 series, Latitude Chromebook Enterprise, and Linux-based devices. Feature availability and functionality may vary by model. For more details visit: https://www.delltechnologies.com/asset/en-us/solutions/business-solutions/technical-support/dell-optimizer-features-availability-matrix.pdf.external

19 Simultaneous multi-network connection (or Connection based teaming) is a new connectivity feature under ExpressConnect. It simultaneously sends and receives data and video traffic using two or more wired or wireless connections. Simultaneous multi-network connection works with wired and wireless networks. For select Dell platforms, a USB Wi-Fi adapter is required to connect a second Wi-Fi network. Based on Dell internal analysis, September 2021.

20 WiFi 6E compatible router required. Router requires separate purchase. WiFi 6E connectivity only available in select countries. Check availability with your service provider.

21 New packaging is made with up to 94.8% recycled content and up to 64.4% renewable content in the form of renewable paper fibers. Material makeup varies by product and size. Excludes optional items added to order and included in box. Paper packaging materials can be recycled via municipal recycling, where available. System bag is made from recycled plastic and can be recycled along with other thin plastics.

22 The Bluetooth wireless card version may vary depending on the operating system that is installed on your computer.
